

CIVIL TRAIN

The Training Division of the CCF

SHORT COURSE

RISK CONTROL

RIIRIS201D Conduct basic risk control

Are you involved in site-based risk control such as risk assessment or safe work method statement?

COURSE OVERVIEW

In this course you will learn about risk management processes including how to identify, assess and control hazards and risk through a Risk Assessment, and the role and process of creating a Safe Work Method Statement.

COURSE DURATION

This course is one (1) day.

DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

COURSE OUTCOME

On completion of the course you will be able to:

- Plan and prepare for risk control
- Assess and identify unacceptable risk
- Identify, assess and implement risk treatments
- Complete records and reports

If successful you will receive a Statement of Attainment.

LOCATION

Public courses are scheduled frequently in Adelaide and are also available in WA and NT.

Civil Train can come to your worksite to deliver training to a group of employees – please contact the office for a quote.

PERSONAL PROTECTIVE EQUIPMENT

Enclosed, safety footwear, long pants and long-sleeved shirts with hi-vis are required. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.

SHORT COURSE

ENTRY REQUIREMENTS

ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.

Entrants will need a level of language, literacy and numeracy skills to enable them to meet the requirements of the course:

- communicating clearly and concisely with others to receive and clarify treatment information
- communicating clearly and concisely the likelihood and consequence of an identified risk
- reporting written information about risk assessment and treatment implementation
- reading, preparing and using worksite safety systems information

Civil Train recommends year 10 school completion or equivalent as a guide to the level required for short course

FEES

Please refer to our [Fees Schedule](#) for current fees and subsidies.

Please refer to our [Fees and Refunds Policy](#) for terms and conditions.

Terms and conditions

Please refer to our website www.civiltrain.com.au for full terms and conditions.

Please decide if this is the right course for you before you enrol. This course information flyer should be read in conjunction with Civil Train's pre-enrolment brochure and our policies and procedures available at www.civiltrain.com.au. If you require any more information or assistance, or you identify yourself to have specific needs that may affect your capacity to complete this course, please speak to one of our representatives.
