

CIVIL TRAIN

The Training Division of the CCF

SHORT COURSE

EWP BELOW 11M SCISSOR AND BOOM LIFT (CCF SA ENDORSED)

RIIHAN301E - Operate elevating work platform

Are you in a workplace where you will need to operate a scissor and/or boom lift, but not go above 11m?

COURSE OVERVIEW

EWPs are powered mobile plant designed to lift or lower people and equipment to a work location, by means of a telescoping device or articulated device, beyond a base support.

This course trains and assesses in the operation of scissor (unrestricted) and/or boom type lifts (below the height of 11m).

This course satisfies the [SafeWork SA minimum training requirements](#) expected for workers who operate EWPs in accordance with the person conducting a business or undertaking's (PCBU) primary duty of care under the Work Health and Safety Act 2012.

COURSE DURATION

This course is one (1) day.

COURSE OUTCOME

On completion of the course you will be able to:

- Plan and prepare for operating an elevating work platform
- Conduct work activities from elevating work platform
- Carry out operator maintenance
- Clean up

If successful you will receive a Statement of Attainment and an a wallet card which will identify whether you were assessed on Scissor lift or Boom lift.

DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory, practical training and assessment components to the course.

LOCATION

Public courses are scheduled frequently in Adelaide.

This course can also be delivered regionally – please contact the office for regional locations and dates.

Civil Train can come to your worksite to deliver training to a group of employees – please contact the office for a quote.
