SHORT COURSE

GAS TEST ATMOSPHERES

MSMWHS217 - Gas test atmospheres

Are you working in an industry with confined spaces? This course provides evidence you are competent to gas test atmospheres for those entering a confined space.

COURSE OVERVIEW

This course is appropriate for persons requiring the knowledge, skills and abilities to use gas detection equipment to test and monitor potentially hazardous atmospheres.

Testing involves the use of electronic test apparatus.

In a typical scenario an individual may be required to carry out gas testing of an atmosphere prior to entering a specific area or workspace.

COURSE DURATION

This course is one (1) day.

COURSE OUTCOME

On completion of the course you will be able to:

- Prepare for gas testing
- Test gas
- Maintain equipment

If successful, you will receive a Statement of Attainment and plastic card to keep in your wallet to show competency.

Industry recommends this course is renewed every two years.

DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

LOCATION

Public courses are scheduled frequently in Adelaide, Perth and Alice Springs.

This course can also be delivered regionally – please contact the office for regional locations and dates.

Civil Train can come to your worksite to deliver training to a group of employees – please contact the office for a quote.

PERSONAL PROTECTIVE EQUIPMENT

Enclosed, safety footwear, long pants and long-sleeved shirts with hi-vis are required. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.

SHORT COURSE

ENTRY REQUIREMENTS

ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.

Entrants will need a level of language and literacy skills to enable them to meet the requirements of the course.

Civil Train recommends year 10 school completion or equivalent as a guide to the level required for short courses.

This course does not qualify a person to enter confined spaces for gas testing purposes. It is advisable that learners have completed RIIWHS202D Enter and work in confined spaces prior to enrolling in this course.

FEES

Please refer to our [Fees Schedule](#) for current fees and subsidies.

Please refer to our [Fees and Refunds Policy](#) for terms and conditions.

Terms and conditions

Please refer to our website www.civiltrain.com.au for full terms and conditions.

Please decide if this is the right course for you before you enrol. This course information flyer should be read in conjunction with Civil Train's pre-enrolment brochure and our policies and procedures available at www.civiltrain.com.au. If you require any more information or assistance, or you identify yourself to have specific needs that may affect your capacity to complete this course, please speak to one of our representatives.
