SHORT COURSE

## WORK ZONE TRAFFIC MANAGEMENT REFRESHER (NT)

*Do you need to update your interstate WZTM card so you can work in NT, or are you approaching the three-year expiry of your NT WZTM and need a refresher?*

### COURSE OVERVIEW

Work Zone Traffic Management (WZTM) involves the management of traffic through, around and past roadwork sites whilst balancing the safety needs of both workers and road users such as drivers, cyclists and pedestrians.

The Motor Vehicle Registry (MVR) issues the NT Work Zone Traffic Management ID cards on behalf of the Department of Infrastructure.

Certification is for three years. After this period, candidates will be required to attend a **refresher course** to renew their certification for a further three years.

A **bridging course** is also required for people moving from other regulatory jurisdictions to enable them to be accredited in the NT.

This must then be presented to the Motor Vehicle Registry (MVR), who will issue the Work Zone Traffic Management Card for the Northern Territory. Additional fees may apply.

See:

<https://nt.gov.au/driving/management/work-zone-traffic-management-qualifications>

### DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

This is a theory course only.

### COURSE DURATION

This course is one (1) day.

### COURSE OUTCOME

On completion of the course you will be able to:

- Plan and prepare
- Control traffic and operate communication devices
- Set out traffic guidance scheme
- Monitor traffic guidance scheme
- Close down work activities
- Conduct housekeeping activities

On completion of the course you will receive a Certificate of Proficiency for the unit or units in which you hold a Statement of Attainment.

This must then be presented to the Motor Vehicle Registry (MVR), who will issue the Work Zone Traffic Management Card for the Northern Territory. Additional fees may apply.

See:

<https://nt.gov.au/driving/management/work-zone-traffic-management-qualifications>

### LOCATION

Public courses are scheduled frequently at Civil Train facilities in Darwin and Alice Springs.

Work Zone Traffic Management is also delivered regionally – please contact the office for regional locations and dates.

Civil Train can come to your worksite to deliver Work Zone Traffic Management training – please contact the office for a quote.

## SHORT COURSE

### PERSONAL PROTECTIVE EQUIPMENT

Long pants and a long-sleeved shirt, safety boots and hi-vis is required for the practical component of this course. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.

### ENTRY REQUIREMENTS

**ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.**

Entrants will need to provide evidence of:

- White Card
- Current Australian Driver's Licence
- Evidence of NT residency or information relating to current NT accommodation

Entrants will need a level of language and literacy skills to enable them to meet the requirements of the course.

Civil Train NT recommends year 10 school completion or equivalent as a guide to the level required for short courses.

### FEES

Please refer to our [Fees Schedule](#) for current fees and subsidies.

Please refer to our [Fees and Refunds Policy](#) for terms and conditions.

### Terms and conditions

Please refer to our website [www.civiltrain.com.au](http://www.civiltrain.com.au) for full terms and conditions.

Please decide if this is the right course for you before you enrol. This course information flyer should be read in conjunction with Civil Train's pre-enrolment brochure and our policies and procedures available at [www.civiltrain.com.au](http://www.civiltrain.com.au). If you require any more information or assistance, or you identify yourself to have specific needs that may affect your capacity to complete this course, please speak to one of our representatives.
