SHORT COURSE

WORK ZONE TRAFFIC MANAGEMENT REFRESHER (SA)

RIIWH302E - Implement traffic management plans

RIIWH205E - Control traffic with stop-slow bat

Update your Department of Infrastructure and Transport issued Work Zone Traffic Management licence before the three-year expiry!

COURSE OVERVIEW

Work Zone Traffic Management involves the management of traffic through, around and past roadwork sites whilst balancing the safety needs of both workers and road users such as drivers, cyclists and pedestrians.

In South Australia, the Department of Infrastructure and Transport (DIT) govern the safe undertaking of Work Zone Traffic Management.

DIT require you to undertake a refresher course every three years.

At all times whilst workers are present at a worksite at least one worker must carry a **current** Work Zone Traffic Management accreditation card.

COURSE DURATION

This course is one (1) day.

DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

COURSE OUTCOME

On completion of the course you will be able to:

- Plan and prepare
- Control traffic and operate communication devices
- Set out traffic guidance scheme
- Monitor traffic guidance scheme
- Close down work activities
- Conduct housekeeping activities

If successful you will receive a newly issued Statement of Attainment and a new DIT issued Work Zone Traffic Management Card.

LOCATION

Public courses are scheduled frequently in Adelaide and regional SA.

Civil Train SA can come to your worksite to deliver – please contact the relevant office for a quote.

PERSONAL PROTECTIVE EQUIPMENT

Long pants and a long-sleeved shirt, safety boots and hi-vis is required for the practical component of this course. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.

SHORT COURSE

ENTRY REQUIREMENTS

ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.

Entrants will need to provide evidence of a current DIT WZTM Card at the time of registration and MUST have a current DIT WZTM ticket at the time of undertaking the training course.

If your DIT WZTM ticket expires even the day before the scheduled training course you will be required to undertake the full 2 day WZTM training course.

Entrants will need a level of language, literacy and numeracy skills to enable them to meet the requirements of the course, as follows:

Numeracy:

- Applies basic mathematical problem solving processes, including simple addition, subtraction, multiplication and division

Oral communication:

- Presents information and provides assistance using industry specific vocabulary
- Uses listening and questioning to clarify and confirm understanding
- Listens to short, explicit instructions for work procedures and asks questions to clarify and confirm

Reading:

- Identifies and interprets information from workplace procedures, documentation, legislation and regulations

Technology

- Identifies purposes, specific functions and key features of common digital systems and tools and operates them as required

Writing:

- Produces and completes workplace reports, including risk management matrices, using appropriate vocabulary, grammatical structures and conventions
- Produces and completes workplace reports using appropriate vocabulary, grammatical structures and conventions
