

CIVIL TRAIN

The Training Division of the CCF

SHORT COURSE

BASIC WORKSITE TRAFFIC MANAGEMENT (BWTM) and TRAFFIC CONTROLLER (TC) REFRESHER

Update your Main Roads WA issued Basic Worksite Traffic Management (BWTM) and Traffic Controller (TC) licence before the three-year expiry!

COURSE OVERVIEW

This refresher course is the re-accreditation required every three years by Main Roads WA for Basic Worksite Traffic Management (BWTM) and Traffic Control (TC). Participants will be updated with the latest information and changes to implementing traffic management and controlling traffic on WA roads.

Civil Train Western Australia is a Main Roads WA approved training provider.

COURSE DURATION

This course is 1 days (8hours).

COURSE OUTCOME

Upon successful completion of this course participants will be re-issued with a new Main Roads WA accreditation and ID card.

DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

LOCATION

Public courses are scheduled frequently in Perth.

Civil Train WA can come to your worksite to deliver – please contact the relevant office for a quote.

PERSONAL PROTECTIVE EQUIPMENT

Long pants and a long-sleeved shirt, safety boots and hi-vis is required for the practical component of this course. Other sites may have other requirements which will be confirmed at the time of booking. Failure to wear correct PPE may prevent the participant from completing the practical training and/or assessment.

SHORT COURSE

ENTRY REQUIREMENTS

ALL LEARNERS WILL BE REQUIRED TO PROVIDE PHOTOGRAPHIC IDENTIFICATION UPON ARRIVING FOR THEIR COURSE.

Participants will need to meet the following to qualify for the refresher course.

- Hold the WorkSafe Construction Safety Awareness Card (White or Blue card)
- Currently hold or previously held a WA drivers' licence (must provide evidence of this)
- Provide a current MRWA accreditation for BWTM & TC (or be within the 3 month grace period of expiry).
- Must be able to provide evidence of active engagement in industry within the previous 12 months. This may include written evidence from employer/s or client references.

Entrants will need a level of language and literacy skills to enable them to meet the requirements of the course. Civil Train recommends year 10 school completion or equivalent as a guide to the level required for short courses.

FEES

Please refer to our [Fees and Refunds Policy](#) for terms and conditions.

The Construction Training Fund (CTF) provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the Construction Training Fund in reducing the costs of the training for eligible workers.

Standard course fee \$330
Course fee with CTF subsidy applied \$99
Course fees includes MRWA accreditation.

Terms and conditions

Please refer to our website www.civiltrain.com.au for full terms and conditions.

Please decide if this is the right course for you before you enrol. This course information flyer should be read in conjunction with Civil Train's pre-enrolment brochure and our policies and procedures available at www.civiltrain.com.au. If you require any more information or assistance, or you identify yourself to have specific needs that may affect your capacity to complete this course, please speak to one of our representatives.
