## CERTIFICATE III in CIVIL CONSTRUCTION PIPE LAYING STREAM

*Are you working as an operator in the civil construction industry, participating in a broad range of jobs with a focus on pipe laying?*

### COURSE OVERVIEW

This qualification reflects the role of a skilled operator working in civil construction, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge.

### DELIVERY AND ASSESSMENT

There are theory and practical training and assessment components to the course.

Skills will be trained and assessed through a mixture of off-the-job and on-the-job training and assessment.

You may be able to seek recognition for your previous studies or experience. Civil Train offers Recognition of Prior Learning (RPL), Recognition of Current Competency (RCC) and Credit Transfer (CT) for this qualification.

### COURSE DURATION

This program is offered as a 24-month traineeship in WA under a Contract of Training. Formal training may be completed in a shorter amount of time.

### ENTRY REQUIREMENTS

Civil Train will conduct a Foundation Skills entry assessment at a level required to successfully complete the qualification and work in the industry at the level required for this qualification. Potential clients who are identified as not meeting course entry requirements will be assisted with referral to appropriate support services.

Entrants will be required to be employed in the civil construction industry and have a Construction White Card prior to starting training on the qualification.

### INDICATIVE PRICES

Funded: \$1,173.00

Unfunded: \$9,800.00

The student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply such as student services and resource fees.

The CTF provided funding support for training of eligible workers in the construction industry. We acknowledge the support of the CTF in reducing the costs of training for eligible workers.

Contact your local super friendly consultant. They know a bucket load about training for our industry, they'll discuss training methodologies that best suit your business, and they are current with the latest government incentives that may be available to your business.

### Terms and Conditions

Please refer to the [Fee Schedule](#) and [Fees and Refunds policy](#) for prices and funding opportunities (both available at [www.civiltrain.com.au](http://www.civiltrain.com.au)).

Please decide if this is the right course for you before you enrol. This course information flyer should be read in conjunction with our [pre-enrolment brochure](#) and our policies and procedures available at [www.civiltrain.com.au](http://www.civiltrain.com.au). If you require any more information or assistance, or you identify yourself to have specific needs that may affect your capacity to complete this course, please speak to one of our representatives.

## UNITS OF COMPETENCY

Successful completion of **twenty five (25)** units of competency made up of:  
**Seven (7) CORE units – these are mandatory and cannot be changed**

|      |            |  |
|------|------------|--|
| CORE | RIIBEF201D | Plan and organise work                             |
| CORE | RIICCM201D | Carry out measurements and calculations            |
| CORE | RIICCM203D | Read and interpret plans and job specifications    |
| CORE | RIICOM201D | Communicate in the workplace                       |
| CORE | RIIWHS201D | Work safely and follow WHS policies and procedures |
| CORE | RIISAM203D | Use hand and power tools                           |
| CORE | RIISAM204D | Operate small plant and equipment                  |

**Ten (10) Group G units – these are mandatory and cannot be changed.**

|   |            |   |   |            |  |
|---|------------|---|---|------------|--|
| G | RIICCM202E | Identify, locate and protect underground services | G | RIICCM210D | Install trench support   |
| G | RIICCM205E | Carry out manual excavation                       | G | RIICRC208D | Lay pipes  |
| G | RIICCM206D | Support plant operations                          | G | RIISAM201D | Handle resources and infrastructure materials and safely dispose of nontoxic materials |
| G | RIICOM205E | Spread and compact materials manually             | G | RIIWHS302E | Implement traffic management plans   |
| G | RIICCM208D | Carry out basic levelling                         | G | RIIWMG203D | Drain and dewater civil construction site  |

Select at least one(1) group H unit

|   |            |                               |   |            |                       |
|---|------------|-------------------------------|---|------------|-----------------------|
| H | RIICPL301D | Install water mains pipelines | H | RIICPL303D | Install sewer systems |
| H | RIICPL302D | Install storm water systems   |   |            |                       |

Select at least three (3) group I units

|   |            |   |   |            |                                    |
|---|------------|---|---|------------|------------------------------------|
| I | RIICCM211D | Erect and dismantle temporary fencing and gates | I | RIIIMG301D | Maintains site records             |
| I | RIICCM301D | Construct and dismantle fences and gates        | I | RIIRIS201D | Conduct local risk control         |
| I | RIICPL304D | Install pre-cast gully pits                     | I | RIIWHS202D | Enter an work in confined spaces   |
| I | RIICPL305D | Install pre-cast access chambers                | I | RIIWHS204D | Work safely at heights             |
| I | RIICRC201D | Repair potholes                                 | I | RIIWHS205E | Control traffic with stop-slow bat |
| I | RIICRC301D | Maintain drainage systems                       |   |            |                                    |

You can choose up to four (4) imported units – some suggestions

|            |   |            |  |
|------------|---|------------|--|
| RIIRIS301E | Apply risk management processes                 | RIIMPO320F | Conduct civil construction excavator operations                |
| RIIHAN311F | Conduct operations with integrated tool carrier | RIIMPO321F | Conduct civil construction wheeled front end loader operations |
| RIIMPO319E | Conduct backhoe/loader operations               | RIIRTM203D | Work as a safety observer/spotter                              |

Learners must be able to have regular and consistent on-the-job access to the tasks of the units selected.

Other electives may be offered, in accordance with the packaging rules. Please discuss with a Civil Train representative if you would like to discuss electives not identified on this course information brochure.
