IMMERSE YOURSELF IN CIVIL

2 HOUR CIVIL INDUSTRY AWARENESS SESSION

Proudly subsidised by CITB

Civil Apprenticeships and Careers Ltd is offering a FREE 2-hour interactive Industry Immersion Session, funded by CITB.

Civil Contractors Federation South Australia (CCF SA) is the leading peak employer association for over 50 years, who promote and represent the Civil industry.

WHO IS IT FOR?

Year 7-9 students.

WHEN IS IT?

Week 4 or Week 8 each Term

10:00am-12:00pm

Immerse yourself at the largest non-government training provider of civil construction.

Students will have the opportunity to gain an interactive experience into the world of Civil Construction through; gamified learning; operate a variety of simulated heavy machinery including an excavator, front-end loader, and haul truck. Students will learn how to undertake pre-starts and how to safely operate the vehicles. *Simulated 'entering a confined space' activity will be conducted in the confined space room at CCF SA training facility, Civil Train SA.

Please note- The confined space activity is not actually a confined space but is used to simulate the conditions of being in a confined space.
