IMMERSE YOURSELF IN CIVIL

3 DAY CIVIL IMMERSION PROGRAM

Proudly subsidised by CITB

Civil Train SA and CACL will provide a FREE engaging and interactive 3 day Trade Taster Program, funded by CITB for **Year 10 and 11 students** every term.

Civil Contractors Federation SA (CCF SA) is the leading peak employer association for over 50 years, who promote and represent the Civil industry. Civil Train is the largest non-government training provider of civil construction and houses the worlds largest simulator technology.

The 3 day Civil Construction Trade Taster program will support pathways to:

- Existing Intro to Civil Construction skill set
- Upcoming Civil Construction Advanced skills cluster
- (FIP) RII20120 - Certificate II in Resources and Infrastructure Work Preparation in 2023

CCF SA and Civil Train will provide engaging, hands-on industry immersion through non-accredited training taster program.

WHAT WILL YOU IMMERSE YOURSELF IN?

- **Day 1** - Elements of RIIWHS201D Safe work practices, Intro to: Working at heights, Underground service location, Traffic management, Mobile Plant Simulators operation.
- **Day 2** - Civil Train's Live Site at Burton, Induction, pre-starts and checks on machines and Civil small plant/equipment operation. Generator, Jack hammer, Leg rammer/Tamper, Vibe Plate, Flecx drive pump, Basic levelling/laser introduction.
- **Day 3** - Civil Train's Live Site at Burton, Small Practical Project - Basic levelling/laser, Spreading and compacting material, Laying Pavers.
